# INTRODUCTION

Slot Machines Group is led by Urbain Thewissen, an industry veteran with more than 25 years of experience in the field. Urbain sold slot machines, all kind of Multiplayer games from major brands and spare parts to 5 continents. He participated in development of gaming software, opened market opportunities for several international companies and now he is focussing again more on sales of second hand slot machines.

# OUR ROULETTES

## Roulette Alfastreet R8K

If the R8 roulette could be defined with one word, it would be elegance. We have optimized its ergonomic design, technology and functionality, all of which contribute to more operator reliability and higher overall player play.

The machine offers extensive customization possibilities. Currently, we offer it with 5, 6 or 8 stations. This roulette is the best-selling roulette in the world.
